

# ***Logistics MIWG Out-brief***

## **Directed Tasks**

### **TASKERS**

### **ACTIONS**

#### **Strategic Plan**

- Drafted Log Goal, Intent & Objective

#### **Chairman Rotation**

- No opposition in principle
- Change would be disruptive, retain U
- Some nations lack resources

#### **Support CDE MIWG In CIEE**

- Awaiting CDE guidance
- Continue development of Log specific solutions

#### **Gap Analysis/Survey**

- Refocus on CIEE

#### **Coalition Agreements Matrix**

- Complete gaps identified
- Now...it is up to nations

# *Logistics MIWG Out-brief*

## **Other actions**

### **MNE3**

Reviewed progress against Log Objectives

- Process - EBP must consider log feasibility
- Organizations - no great advantages in current structure
- Technology - insufficient rigor to assess Log tools
- Continue MNE engagement

### **Log Annex to CBG**

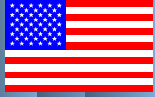

- 1<sup>st</sup> draft completed
- Structure/time-line path for 2nd draft

### **Lessons Learned**

- Refreshed Log priorities of work in line with OIF operations

### **Work Plan**

- Have developed tool to help track progress of log tasks against strategic plan
